---

○ **Weekly Summary**

We done a presentation and meeting with our advisor and got some advice on what to include in our poster and also final documentation. Aside from that, we are now focusing on our final report and poster.

○ **Past week accomplishments**

Meeting with Professor Que and continue working on the documentation required for our final presentation and demo. Did a final summation of all the results we had obtained so far and including it in all our final report and also poster.

○ **Pending issues**

None as of the moment except working on the poster and IRP presentation.

○ **Individual contributions**

<b><u>NAME</u></b>	<b><u>Individual Contributions</u></b>	<b><u>Hours this week</u></b>	<b><u>HOURS cumulative</u></b>
Tan Shir Linn	Work on poster and final documentation	4	37
Wai Han Kong	Work on poster and final documentation	4	36
Dalton Strauser	Work on poster and final documentation	3	32
XiongSheng Yi	Work on poster and final documentation	3	30

○ **Plan for coming week**

- We will all proceed with the latest result from the last testing and proceed with including it all inside one final report.

○ **Summary of weekly advisor meeting**

We meet up with Professor Que and did one last presentation with the latest result and he said that it should be sufficient for our 492 project, thus allowing us to start focusing on building our poster and also final documentation.
