○ **Weekly Summary**

Same as last week, all of us are working on the poster, report, and slides for the final week. Though we are all busy with other subject test and project at the moment, so the progress is a bit slow for now.

○ **Past week accomplishments**

Just continue working on the documents and nothing else going on for now.

○ **Pending issues**

Organizing poster, finishing our final report and also slides for final presentation.

- **Individual contributions**

<b><u>NAME</u></b>	<b><u>Individual Contributions</u></b>	<b><u>Hours this week</u></b>	<b><u>HOURS cumulative</u></b>
Tan Shir Linn	Work on computing results from all our testing	2	42
Wai Han Kong	Work on computing results from all our testing	2	41
Dalton Strauser	Working on the poster and final report	2	37
XiongSheng Yi	Working on the poster and final report	2	35

- **Plan for coming week**

We will continue working on all the required materials for the end of our project and hopefully getting it done next week so that one more week later we can have a meeting with advisor on our poster and such to get some advice on it.

- **Summary of weekly advisor meeting**

As mentioned last week, we will continue working on the final documentation and stuff. So for now, we will hold off our advisor meeting till it's done.
