
EE 492 WEEKLY REPORT 13

Date: 3/27/17-4/2/17

Group number: 1721

Project title: Glucose detection using a disposable nanosensor

Client &/Advisor: Prof. Que

Team Members/Role: Shir Linn Tan (Team Leader)

Wai Han Kong (Team Communication Leader)

Dalton Strauser (Team Key concept holder)

XiongSheng Yi (Team Webmaster)

○ **Weekly Summary**

We are done with our poster and thus we had meet up with Professor Que to get feedback on it and also our ongoing final report. As such, we go on correcting the poster and document according to Professor Que advice.

○ **Past week accomplishments**

For now, we are correcting part of the stuff as our advisor said and continue on finishing up the final report and also the poster itself.

○ **Pending issues**

Organizing poster, finishing our final report and also slides for final presentation.

- **Individual contributions**

| <u>NAME</u> | <u>Individual Contributions</u> | <u>Hours this week</u> | <u>HOURS cumulative</u> |
|--------------------|---|---------------------------------------|------------------------------------|
| Tan Shir Linn | Meeting up with professor and continue working documentation required | 3 | 45 |
| Wai Han Kong | Meeting up with professor and continue working documentation required | 3 | 44 |
| Dalton Strauser | Meeting up with professor and continue working documentation required | 3 | 40 |
| XiongSheng Yi | Meeting up with professor and continue working documentation required | 3 | 38 |

- **Plan for coming week**

We will continue working on all the required materials for the end of our project.

- **Summary of weekly advisor meeting**

We had our last advisor meeting this week and get the feedback regarding our poster and also the ongoing final documentation, so we will jut continue on this track and finish up whatever we had on hold and wait for the end of this project to come.
